

Privacy Policy

GVR System Automation, Inc is a "Site Safe TM SL Certified Site". We will respect the confidentiality of the information relating to its individual users and visitors and the laws governing the privacy of personal & medical information that apply in the country and state where the Web site is located. Information identifying a user will not be disclosed by GVR staff to anyone unless specifically authorized by that individual. Your email address and personal details are never passed on, or sold, to 3rd parties - they are used only to supply the services requested and for statistical analysis.

In order for GVR System Automation to count visitor numbers, a unique "cookie" may be placed on your browser. We also track IP addresses for the purposes of attaining demographic data. This data is used by us for statistical purposes only and for content geo-targeting only.

Third Party Advertising

We have placed links to third-party companies "ADOBE", "Microsoft" and others, you might access to view, and order their products when you visit our Web site. These companies may use information (not including your name, address, email address or telephone number) about your visits to this and other Web sites in order to provide advertisements on this site and other sites about goods and services that may be of interest to you.

If you would like more information about this practice and to know your choices about not having this information used by them, please [see the privacy policy at ADOBE.com, microsoft.com](#).

Third Party Cookies

In the course of serving advertisements to this site, our third-party advertisers may place or recognize a unique "cookie" on your browser.

ADOBE & Microsoft, as a third party vendor, uses cookies to serve ads on the GVR Systems Automation, Inc Web site. Google, Adobe and Microsoft uses the DART cookie to enable it to serve ads to the user based on the users visit to the GVR Systems Automation, Inc Web site and other sites on the Internet. Users may opt out of the use of the DART cookie by visiting the [Google ad and content network privacy policy](#).
